

Subject: Important Notice - Updated Community By-laws & Voting Process

Dear Glendale Yearound Residents and Community Members,

We are pleased to announce the completion of our updated community by-laws, revised thoughtfully based on valuable feedback from our residents. Your input has been instrumental and we now look forward to your participation in finalizing these essential updates.

These revised by-laws provide a necessary legal framework consistent with best practices for Property Owners' Associations (POA). Adopting these changes will enable our community to establish clear and enforceable rules and regulations. This, in turn, will facilitate the improvements YOU have requested, while ensuring that our operations fully comply with local, state, and federal laws.

All property owners were sent the updated draft by-laws for review. Your involvement in the voting process is crucial for implementing these vital changes.

Timeline for Adoption:

- Week of April 1, 2025: Draft updates have been mailed to all property owners.
- May and June: Discussions on the updated by-laws will occur at regularly scheduled board meetings.
- July 19, 2025 A Q&A session will take place during the regular board meeting. Absentee voting begins for eligible members (current on dues with no outstanding penalties).
- July & August Board Meetings: Additional opportunities to cast votes.
- August 16, 2025: Voting concludes at the end of the board meeting, followed by independent certification of results.
