

My name is Gary Gusmerotti and I spend my time at Glendale Yearround at 124 Blue Bonnet circle. This is our 3rd year enjoying all that Glendale and Prince Gallitzin have to offer.

Strengths and Qualifications I feel would enable me to serve you well as a board member come from numerous past boards I have sat on. These include Church Boards, zoning boards, clinical management boards, and Go International which is an overseas missions organization that provides various health care disciplines to some of the poorest of this world's poor.

My Philosophy of leadership is shaped from service to others. I have been blessed to serve others throughout Central America, South America, Russia, as well as well as the poorest of the Indigenous populations of the United States on reservations in South Dakota and Wisconsin. These opportunities have shaped me into a caring person who is capable of thinking outside the box when it comes to problem solving. I feel the ability to adapt and improvise will be key to serving issues Glendale Yearround POA will be facing during the next few years.

As costs rise, inflation mounts, and peoples abilities to meet obligations become more difficult, coming up with out of the box solutions and having a caring and understanding mind set will be critical.

The solution to issues ahead will also revolve around our ability to build consensus among we as members. We need to have robust debate, listen to each other's viewpoints, but when all is said and done the most important thing is no matter the outcome we need to depart remaining friends and neighbors bound together by respect and care for one another.

The strength of our POA will come from unity - failure will come from being a house divided against itself.

In conclusion I thank you for the opportunity to place my name up for consideration and hope for your support in the coming election.

Blessings

Gary
