

Dear fellow POA members:

On July 16th I will be running for re-election to the GYR Board of Directors.

I was first elected July of 2002 and at that time POA owned 2 push mowers, 2 weed eaters and 2 very old security cars. Now we have 3 dump trucks, 2 riding mowers, 2 pickup trucks, and much newer security cars.

Since my first term we have done some major repairs to the pool including adding a heater. Could you imagine the pool today without heat? There has been construction of the ball field, dog park and maintenance buildings among many other improvements including balancing the budget every year.

We have worked hard to get our Asset Maintenance fund up to over \$300,000. We have made many improvements throughout the years, but we also have some issues that need to be addressed. This includes the pond, which we are actively pursuing, and the pool which needs some repairs and upgrades. The pond project is very important to me and a high priority.

I am asking for your vote on July 16th so that I can continue my work to maintain and improve our community.

Thank you, Bruce Goodworth
