

On March 21st, the POA scheduled a meeting to promote transparency regarding the revision of the by-laws. Following the regular March POA meeting, a group of volunteers met to review the by-law requirements and determine the best approach for gathering input and listening to community recommendations.

After a thorough review process and a strong commitment to hearing the voices of the Glendale Yearound (GYR) POA community, we have drafted the proposed 2026 By-Laws as requested. We are now seeking public comments and/or concerns before moving forward with finalization and printing. Our goal is to ensure the by-laws reflect the needs of the community while achieving full compliance.

This is the fourth attempt to approve updated by-laws through a community vote, and the volunteer committee unanimously recommends that the community adopt these by-laws as the final draft.

The deadline to submit written comments is **May 20th**. Comments may be submitted by email or mailed to:

Mail to : Glendale POA
PO Box 89
Flinton, PA 16640

E-Mail to : glendaleyearoundpoa.com

After the May 20th deadline, we will engage in reasonable dialogue and make any necessary adjustments, if needed. We will then proceed with printing and distribution to the community.
