

My name is Christine Osborne, I am running to fill a position on the POA Board for Glendale Yearound.

As a permanent resident of Glendale Yearound, I have talked to many of you and listened to the concerns of the community. I am excited and appreciate the opportunity to be an active member of the board. I feel the becoming a board member is the best way to represent all voices in Glendale equally.

My 35+ years of work experience will serve me well as a member of the POA board. For the last 25 years, I have worked for a telecommunications company as an engineer. In addition, I have a bachelor's degree in Business Management and Finance from Liberty University.

I would like to use my years of various life experiences, robust work ethic, compassionate and caring personality, and analytical listening skills to be an asset to the community and team member on the POA board.

Thank you in advance for your vote and building a better community!
