

At the request of our community members, we are pleased to introduce the two individuals who have expressed their interest in serving on the Board of Directors and have requested your support for the open Board position.

Both candidates attended the [June 20th](#) Board meeting, where they introduced themselves and shared their interest in serving the Glendale Year-Round Property Owners Association.

Board Candidates:

Carl Jaskiewicz
Roy Mountain

We encourage all members to take the time to review each candidate's qualifications and participate in the election. Your vote plays an important role in the future of our community.

Introducing Roy Mountain:

My name is Roy Mountain, and I am seeking a position on the Glendale Yearround POA Board. Having been a member of the campground section of Glendale since [June 2011](#), my camper and property are located at 104 Larch Cicle. I have been a resident of my home located at 10995 Rt 403 Hwy S, Seward, Pa 15954 since Nov. 2001.

I am retired as a Maintenance Manager in [Aug 2018](#) at which time I started to drive school bus till [Dec 2013](#). Since [March 2026](#) I have been on the Architectural Committee of Glendale Yeararound which I enjoy serving, meeting, and talking with the residents of the community very much.

I am seeking the position of board member to work with the board to continue serving and improving our community for all full-time residents as well as the people that enjoy weekends in the campground section. Thank you for your consideration,

Roy Mountain

Introducing Carl Jaskiewicz,

My name is Carl Jaskiewicz, I am interested in the open position on the board of directors of the poa at GYR.

I reside in a small town of Vandergrift Pennsylvania with my loving girlfriend (Donna Emanuel). Together we have four adult children living threw out eastern United States.

I took an early retirement from Carls Home Improvements, where I was owner / operator for 20 plus years, doing residential remodeling. Prior to building my own business I worked in the industrial world as an outside contractor in various locations of north eastern United States.

Some of my recent hobbies include golfing, fishing and enjoying my Harley and vintage VW Beetle. Landscaping and gardening has also become a passion of mine.

Donna and I have been visiting GYR for years visiting with relatives. In 2024 we purchased 116 / 118 Butternut circle. We wanted something we could improve on. So far we are happy with our accomplishments.

I find the lower camp ground as well as the rest of GYR is a hidden treasure, with plenty to offer. I've met some very nice people from various walks of life, and find it very interesting. I would like to get to know more people here and become a bigger part of GYR.

In closing I would like to add, I've been to a handful of meetings and found a lot of talent on board. (As well as patience they have). I've always preferred to build on what's good instead of fighting the bad.

Carl Jaskiewicz
