## Glendale Year Round Association Owners

At the beginning of 2026, we asked for input from the community and distributed a questionnaire to our residents. We received an overwhelming response, including valuable feedback **regarding the by-laws.**

As part of that survey, we also asked if any individuals would be willing to participate further in the review process. Based on those responses, we have scheduled a session to continue the discussion.

The GYR Board's goal is to listen to concerns and work together to make the necessary changes so this process can move forward and be successfully completed for the benefit of the entire community.

Following the **regularly scheduled 10:00 AM meeting on March 21st**, we will hold a working session and invite all residents who indicated interest in the survey to attend and help move this project toward completion.
