

My name is Michael Ault and I will be running for an open seat on the 2022 POA Board. This election I want you to think about what our community needs and how together we can make Glendale Yearound an overall better place to call home or our home away from home.

I am a Marine Corps Veteran and know many of you from my time at the post office. My two daughters go to Glendale, and my wife is a nurse that works from home. We moved here almost 5 years ago and live year round in the community.

Those that know me know I am a no-nonsense person, and I am open to what is fair. There is no doubt in my mind I would have no problem speaking up for our community and raising my voice when issues come about.

If you are ready to make some changes, then so am I. Come out this election season and give me your vote so that together we can have a voice to address issues with our gates.

**Thank you.**
